Director of Compensation & Benefits

## Report of Independent Registered Public Accounting Firm

To the Plan Administrator and Participants of  
Central Garden & Pet Company Investment Growth Plan

### ***Opinion on the Financial Statements***

We have audited the accompanying statements of net assets available for benefits of the Central Garden & Pet Investment Growth Plan (the "Plan") as of December 31, 2022, and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022, and 2021, and the changes in net assets available for benefits for the year ended December 31, 2022, in conformity with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on the Plan's financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Plan in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits, we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion.

Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

### ***Opinion on the Supplemental Information***

The supplemental information included in Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, and Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, have been subjected to audit procedures performed in conjunction with the audit of the Plan's financial statements. The supplemental information is the responsibility of the Plan's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

/s/ MOSS ADAMS LLP

Campbell, California  
June 14, 2023

We have served as the Plan's auditor since 2013.

**CENTRAL GARDEN & PET COMPANY INVESTMENT GROWTH PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**NOTE 1 – DESCRIPTION OF PLAN**

The following description of the Central Garden & Pet Company Investment Growth Plan (the "Plan") provides only general information. Participants should refer to the summary plan description or plan document, as amended, for a more complete description of plan provisions.

**General** – The Plan is a defined contribution plan that was established to provide benefits to eligible employees, as provided in the plan document. The Plan covers substantially all employees of Central Garden & Pet Company (the "Company") except certain groups of employees, as defined in the plan document. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Company is the Plan's sponsor and serves as plan administrator.

**Eligibility** – Employees of the Company are eligible to participate in the Plan on the first day of the next calendar month upon reaching age 21 and after completing three months of service.

**Participant contributions** – Eligible participants may make pre-tax contributions starting at 1% of their eligible compensation subject to the annual dollar maximum set by the Internal Revenue Service ("IRS"). The contribution limit for highly compensated employees, defined as those whose annual earnings equal at least \$135,000 in 2022, is subject to contribution limits that may vary from year to year. The Company has the right to further limit these contributions to conform to applicable regulations, and as such, limited the contribution amount for highly compensated employees to \$17,000 in 2022. Unless elected otherwise, eligible participants are automatically enrolled to contribute 3% of their eligible compensation as pre-tax contributions subject to the IRS limitation. Participants may make a pre-tax contribution from any cash bonus but the deferral election should be made prior to the payment of such cash bonus. Participants may also contribute amounts representing distributions from other qualified plans.

**Employer contributions** – The Company makes basic matching contributions at a rate of 100% of the participant's annual deferrals (not to exceed the IRS deferral limits), up to 3% of the participant's compensation. The matching contribution is paid at the end of each quarter and is subject to a true-up provision at the end of the year. Only those participants employed as of the last day of the quarter are eligible to receive the matching contribution. The Company matching contributions may be made in cash or in shares of the Company's Class A Common Stock, as determined by the Company's Board of Directors. For 2022, the matching contribution was made in shares of the Company's Class A Common Stock.

The Company may elect to make an additional employer contribution that, if made, is a flat dollar amount allocated to each non-highly compensated employee. During 2022, the Company contributed approximately \$1,394,000 as an additional employer contribution to non-highly compensated employees. The Company may also elect to contribute discretionary employer contributions on behalf of an eligible class of participants, as defined in the plan document. Such contributions shall be in the same dollar amount for each eligible participant. No discretionary employer contributions were made by the Company during the year ended December 31, 2022. The Company may also elect to make a discretionary profit-sharing contribution to the Plan. Such contribution is allocated to all eligible employees in proportion to the participant's eligible compensation. Participants are eligible for the profit-sharing contribution only if they remain employed at the end of the year, unless employment is terminated due to death, disability, or retirement. No discretionary profit-sharing contributions were made by the Company during the year ended December 31, 2022.

**Participant accounts** – Each participant's account is credited with the participant's contribution, the Company's contributions, if any, and any income, gains, or losses attributable to the investment mix of the account. Participants may direct the investment of their account balances into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting** – Participants are immediately vested in their salary deferrals and voluntary contributions, plus actual earnings thereon. Vesting in Company contributions and earnings thereon is based on years of continuous service and increases in increments of 20% per year until fully vested after five years of credited service.

**Notes receivable from participants** – Participants may borrow up to 50% of their vested account balance, with a minimum borrowing of \$500 and a maximum of \$50,000. Maturities on notes receivable are for a maximum of five years, or, for the purchase of a primary residence, a term to be decided by the plan administrator. Participants are allowed to have only one note receivable outstanding at a time. Notes receivable are secured by the participant's vested balances, bear interest at prime plus 2% at the time of the borrowing, and generally must be repaid from payroll deductions over the loan term. Notes receivable are generally payable in full upon a participant's termination of employment or the occurrence of certain other events. Notes receivable as of December 31, 2022 carry interest rates ranging from 4.25% to 9.00%, with various maturities through April 2032.

**Payment of benefits** – While still in service, a participant may generally withdraw his or her vested account balance. Following a participant's death, disability, retirement or other separation from service, all vested amounts held in the Plan for a participant's benefit are payable as follows: if a participant's balance is equal to or less than \$1,000, the balance is distributed immediately in a lump-sum cash payment. A participant whose vested Plan accounts exceed \$1,000 may leave the funds in the Plan or elect either a distribution paid in the form of a lump-sum cash payment, a distribution in Company stock, a direct rollover into another qualified plan, or other distribution methods as described in the plan document.

**Forfeitures** – Forfeitures represent the non-vested portion of a participant's account that is lost upon termination of employment. Forfeitures are retained in the Plan and are used to pay administrative expenses and reduce the Company contribution. As of December 31, 2022 and 2021, forfeited non-vested account

**CENTRAL GARDEN & PET COMPANY INVESTMENT GROWTH PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

balances totaled approximately \$637,000 and \$535,000, respectively. During 2022, forfeitures of approximately \$122,000 and \$189,000 were used to pay administrative expenses and employer contributions, respectively.

**Plan Mergers** – Effective January 1, 2022, the following three plans merged (“merged plans”) into the Plan:

<b>Legal Plan Name</b>	<b>Amount Merged to Plan</b>
Segrest, Inc 401(k) P/S Plan and Trust	\$ 3,284,674
Plantation Products, LLC 401(k) Plan	2,098,498
D&D Commodities, Ltd. 401(k) Plan & Trust	5,923,400
Total	<u>\$ 11,306,572</u>

Participant loans of approximately \$73,000 are included in the amounts merged into the Plan on January 1, 2022.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of accounting** – The financial statements are prepared on the accrual method of accounting in accordance with U.S. generally accepted accounting principles (“GAAP”).

**Use of estimates** – The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation** – Investments are stated at fair value, except for the Voya Fixed Accounts, which are stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability (i.e., the “exit price”) in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

**Investment contracts** – The Plan holds investment contracts with the Voya Fixed Account and Voya Fixed Account A (collectively, the “Voya Fixed Accounts”), which are maintained under a directed trust with Voya Institutional Trust Company (“Voya”). The Voya Fixed Accounts are fully benefit-responsive investment contracts and do not have any liquidity or redemption restrictions. Investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Contributions to these contracts are maintained in a general account that is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The contracts are included in the financial statements at contract value as reported to the Plan by Voya. Contract value represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all, or a portion, of their investment at contract value. There are no reserves against contract value for credit risk.

There are no unfunded commitments. Under the terms of the contracts, the Plan sponsor must provide a minimum of 90-days notice to Voya prior to redemption of the contracts.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (2) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (3) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

**Income recognition** – Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net appreciation or depreciation in the fair value of investments consists of both the realized gains or losses and unrealized appreciation or depreciation of those investments.

**Notes receivable** – Notes receivable from participants is measured at the unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are recorded as distributions based on the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

**Payment of benefits** – Participant withdrawals and termination payments are recorded when paid.

**CENTRAL GARDEN & PET COMPANY INVESTMENT GROWTH PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**Administrative expenses** – Certain expenses incurred for administering the Plan are paid by the Company, except for loan fees, distribution fees, investment consulting fees and certain Plan asset-related fees. The Company also provides administrative services to the Plan at no charge. Administrative expenses and investment advisory fees paid by the Plan for 2022 totaled approximately \$552,000. Investment advisory fees of approximately \$342,000 are included within investment income on the statement of changes in net assets available for benefits.

**NOTE 3 – FAIR VALUE MEASUREMENTS**

The Plan classifies its investments based upon an established fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1:** Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
- Level 2:** Valuations based on quoted prices in markets that are not active, quotes prices for similar investments in active markets or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.
- Level 3:** Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities' own judgments and estimations or some other pricing method using unobservable inputs.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The fair value of the common stock of the Company is determined by quoted market prices. Accordingly, investments in common stock are classified within Level 1 of the valuation hierarchy.

Shares of registered investment company funds are valued at the net asset value ("NAV") of shares held by the Plan at year-end. The NAV is a quoted price in an active market and is classified within Level 1 of the valuation hierarchy.

The following tables disclose, by level, the fair value hierarchy of the Plan's investments at fair value.

	<b>December 31, 2022</b>			<b>Total</b>
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>

**CENTRAL GARDEN & PET COMPANY INVESTMENT GROWTH PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**NOTE 4 – TAX STATUS**

The Company adopted the Bryan Cave Leighton Paisner LLP Pre-Approved Defined Contribution Plan Profit Sharing/401(k)/Money Purchase Pension Plan (the "Prototype Plan"). The Prototype Plan has received an opinion letter from the IRS dated June 30, 2020, stating that the written form of the underlying prototype is qualified under Section 401 of the Internal Revenue Code ("IRC"), and that any employer adopting this form of the plan will be considered to have qualified under Section 401 of the IRC. Therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. Although the Plan has been amended since the date of the opinion letter, the Plan administrator believes the Plan is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits for any tax period in progress.

**NOTE 5 – RISKS AND UNCERTAINTIES**

The participants invest in various investment securities. Investment securities are exposed to various risks, such as market, interest rate and credit risk. It is reasonably possible that given the level of risk associated with investment securities, changes in the near term could materially affect a participant's account balance and the amounts reported in the statement of net assets available for benefits.

**NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS**

As allowed by the Plan, participants may elect to invest their salary deferral contributions and employer matching contributions in the Company's common stock. The aggregate investment in the Company's common stock was as follows:

	December 31, 2022		December 31, 2021	
	Number of Shares	Fair Value	Number of Shares	Fair Value
Central Garden & Pet Company				
Class A Common Stock	1,134,269	\$ 40,606,830	1,090,482	\$ 52,179,574
Central Garden & Pet Company				
Common Stock	18,900	707,805	23,845	1,254,962
		<u>\$ 41,314,635</u>		<u>\$ 53,434,536</u>

Plan investments include shares of registered investment company funds managed by Voya Financial Inc., an affiliate of Voya. Any purchases and sales of these funds are performed in the open market at fair value. As Voya is the custodian and trustee of the Plan, transactions with this entity qualify as exempt party-in-interest transactions.

**NOTE 7 – PLAN TERMINATION**

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan and discontinue its contributions at any time. If the Plan is terminated, amounts allocated to a participant's account become fully vested.

**CENTRAL GARDEN & PET COMPANY INVESTMENT GROWTH PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**NOTE 8 – RECONCILIATION TO FORM 5500**

The financial statements are prepared on the accrual basis of accounting, while the Form 5500 is prepared on the cash basis of accounting. The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2022 and 2021:

	<b>2022</b>	<b>2021</b>
Net assets available for benefits per the financial statements	\$ 369,577,455	\$ 415,251,460
Less contributions receivable, end of year		
Employer	(1,734,811)	(1,668,245)
Participants	(163,121)	(139,204)
Net assets available for benefits per Form 5500	<u>\$ 367,679,523</u>	<u>\$ 413,444,011</u>

The following is a reconciliation of contributions per the financial statements to the Form 5500 for the year ended December 31, 2022:

Contributions per the financial statements	\$ 27,725,558
Add contributions receivable, beginning of year	
Employer	1,668,245
Participants	139,204
Less contributions receivable, end of year	
Employer	(1,734,811)
Participants	(163,121)
Contributions per the Form 5500	<u>\$ 27,635,075</u>

The Form 5500 has certain items that differ from amounts shown on the accompanying financial statements. These differences relate to classification only and have no effect upon net assets available for benefits for either period.
