Item 1.01 Entry into a Material Definitive Agreement.

On September 27, 2019, Central Garden & Pet Company (the “Company”) entered into a Second Amended and Restated Credit Agreement with certain of the Company’s domestic subsidiaries, as borrowers and guarantors, a syndicate of financial institutions party thereto (each a “Lender” and together, the “Lenders”), SunTrust Bank (“SunTrust”), as issuing bank and administrative agent (in such capacity the “Administrative Agent”), and SunTrust Robinson Humphrey, Inc., as left lead arranger and joint bookrunner, Bank of America, N.A., U.S. Bank National Association and Wells Fargo Bank, National Association as joint lead arrangers and joint bookrunners, Bank of America, N.A., U.S. Bank National Association and Wells Fargo Bank, National Association, as co-syndication agents, Bank of the West, BMO Harris Bank N.A., JPMorgan Chase Bank, N.A. and KeyBank National Association as co-documentation agents (the “Credit Agreement”). The Credit Agreement amends and restates that certain Amended and Restated Credit Agreement dated as of April 22, 2016 and continues to provide for a \$400 million principal amount senior secured asset based revolving credit facility, with up to an additional \$200 million principal amount available with the consent of the Lenders if the Company exercises the accordion feature set forth therein (collectively, the “Credit Facility”). The Credit Facility now matures on September 27, 2024. The Company may borrow, repay and reborrow amounts under the Credit Facility until its maturity date, at which time all amounts outstanding under the Credit Facility must be repaid in full.

The Credit Facility is subject to a borrowing base, reduced capacity due to reserves and certain other restrictions. The borrowing base is calculated using a formula initially based upon eligible receivables and inventory minus certain reserves and was \$400 million at closing. The Credit Facility also allows the Company to add real property to the borrowing base so long as the real property is subject to a first priority lien in favor of the Administrative Agent for the benefit of the Lenders. The Company did not draw down any commitments under the Credit Facility upon closing. Proceeds of the Credit Facility will be used for general corporate purposes. The Credit Facility includes a \$50 million sublimit for the issuance of standby letters of credit and an increased \$40 million sublimit for short-notice borrowings.

Borrowings under the Credit Facility will bear interest at an index based on LIBOR or, at the option of the Company, the Base Rate (defined as the highest of (a) the SunTrust prime rate, (b) the Federal Funds Rate plus 0.50%, (c) one-month LIBOR plus 1.00%), plus, in either case, an applicable margin based on the Company’s consolidated senior leverage ratio and (d) 0.00%. Such applicable margin for LIBOR-based borrowings fluctuates between 1.00%-1.50% (previously between 1.25% and 1.50%) and was 1.00% at the time of closing, and such applicable margin for Base Rate borrowings fluctuates between 0.00%-0.50% (previously 0.25%-0.50%), and was 0.00% at closing. An unused line fee shall be payable monthly in respect of the total amount of the unutilized Lenders’ commitments and short-notice borrowings under the Credit Facility. Letter of credit fees at the applicable margin on the average undrawn and unreimbursed amount of letters of credit shall be payable monthly and a facing fee of 0.125% shall be paid on demand for the state amount of each letter of credit. The Company is also required to pay certain fees to the administrative agent under the Credit Facility.

The Credit Facility continues to contain customary covenants, including financial covenants which require the Company to maintain a minimum fixed charge coverage ratio of 1.00:1.00 upon triggered quarterly testing, reporting requirements and events of default. The Credit Facility is secured by substantially all assets of the borrowing parties, including (i) pledges of 100% of the stock or other equity interest of each domestic subsidiary that is directly owned by such entity and (ii) 65% of the stock or other equity interest of each foreign subsidiary that is directly owned by such entity.

The foregoing description of the Credit Facility is only a summary and is qualified in its entirety by reference to the Credit Agreement, a copy of which will be filed as an exhibit to our Annual Report on Form 10-K for the fiscal year ended September 28, 2019.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Please refer to the description of the Credit Facility disclosed in Item 1.01 above.
